Hudson Valley Community College
proudly announces the return of our clown class.

Introduction to the Art of Clowning

This 36 hour course of instruction will introduce an aspiring student to the ancient and honorable profession of the art of clowning. Students will learn what a clown is, what a clown does, where a clown performs and basic make-up application techniques, costume and wardrobe selection and introductory clown skills. Course fee includes a $75 materials fee which includes a textbook, makeup kit, and 1 year membership to Clowns of America.

60102 $250
